The Beatitudinal Way

Evening Worship Service in English on Nov 15, 2026

Choose blessing?

The "beatitudes" (blessings) that Jesus taught in his sermon on the mountainside can feel counterintuitive ("happy are the grieving") and oblivious ("happy are the persecuted"). Altogether they seem at first glance to form a random list.

But what if instead **these blessings form a map charting a path** through life's most difficult decisions: How should I deal with hardship? How will I process my grief? How can I respond to injustice?

Join us on November 15th at 18:00 in the Pauluskirche as we reflect on this path in prayer, song and shared fellowship. We will explore the forks in the road that the "beatitudinal way" presents and maybe even experience walking it together.

For this service we are happy to be **joining with neighbors from the American Protestant Church** and **RCCG Living Water Bonn-Mehlem** who serve the english-speaking community in Bonn. And we hope to see you too!
